Pilates Method Alliance

11th International Educational Conference
November 2-5, 2011 - Palm Desert, CA

We are pleased to announce that your Association is providing a service for you this year that should prove to be popular. **CSC Digital Media** has professionally recorded many of the conference sessions. The recordings have been transferred to CD and MP3 and are now available.

This unique service allows you to review the conference sessions or pass information along to friends and associates. In order that all members, including conference attendees, may benefit from the material presented, the CD's and MP3's are available by mail from CSC.
